

**ELECTRIC COMMITTEE MEETING
SEPTEMBER 21, 2009**

The Electric Committee of the Washington City Council held a meeting on September 21, 2009, 3:30 PM in the Council Chambers of City Hall to receive information MEAG issues. Mayor W. E. Burns presided.

Present were Mayor Burns, Council members Cullars and Pope, City Administrator Eskew, City Clerk Danner and Paul Warfel of MEAG.

Mr. Warfel explained to council a resolution in support of an amendment to the combined cycles unit allowing participants to extend credit to MEAG to buy fuel and settle up after fuel has been used.

Mr. Warfel also explained an amendment to the Competitive Trust collecting funds to be used for the Vogtle expansion project.

City Administrator Eskew also asked the committee to consider requiring deposits from industrial customers or perhaps under what circumstances should deposits be required of industrial customers.
