to sign up for CodeRED Weather Warning and to begin receiving automated alerts the moment you're immediately impacted by severe weather.

RECEIVE ALERTS

Alerts for severe thunderstorms, flash floods and tornadoes will be delivered via phone call, text, email or a combination of all three, based on your specific preference. You decide which types of alerts you'd like to receive.

BE ALERT

Only residents in the direct path of severe weather will receive alerts after a warning is issued by the National Weather Service. Listen carefully to the message and take immediate action, if indicated, to protect yourself and your loved ones.

You will know the call is from CodeRED Weather Warning when you see the telephone number 800-566-9780

Save this telephone number in your phone's contacts so you can easily recognize the message is a severe weather warning.
